

Slither down the snake.

Round the apple, down the leaf

Down the tower, across the tower.

Down his plait and around his head.

Down his body and a dot for his head.

Down Nobby, over his net

Down Maisie, over the mountain, over the mountain.

Round his bottom, up his tall neck, down to his feet.

Round her face, down her hair, give her a curl

All around the orange

Curl around the caterpillar.

Down the kangaroo's body, round his tail and kick.

Lift off the top and scoop out the egg.

Down and under, up to the top and draw the puddle.

Down his back then curl over his arm.

Down the head to the hooves and over his back.

Down the laces to the heel, back up and round the toe.

Down the flower and stem, draw the leaves.

Down the long leg.

Down his body, curl and a dot.

Down a wing, up a wing.

Down up down up

Down an arm and leg, down the other arm and leg.

Down a horn, up a horn and under his head..

Zig zag zig.
