

# WOW!

Learning happens both at school and home and we would like to hear about the learning that happens at home. As your child develops and learns they will start to use their knowledge and skills in a variety of contexts. Please tell us when you see your child do something that makes you say "Wow!" This could also be about something your child has been up to out of school or as a family that they would like to share with the class.

# WOW!

Your child has done something that made us say "Wow!" today.
