Dear Parents and Carers,

We would like to remind parents and carers about this year's Early Years "Stay and Play" sessions for 2017-2018 that appear on the school website. Our Stay and Play sessions are an opportunity for you to come into school and to join in with the classroom activities, whilst learning about the Early Years Curriculum and its expectations. There will also be the opportunity to speak with your child's class teacher about how you can help your child at home. Each of these sessions has a theme linked to the Early Year Foundation Stage Curriculum.
