

Learning happens both at school **and** home. We would like to hear about the learning that happens at home. As your child develops and learns more and more, they'll start to use their knowledge and skills in a variety of contexts. Please tell us when you see your child do something that makes you say, 'Wow!'

This could also be about something your child has been up to out of school or as a family that they would like to share with the class.

Please tell us about these *Wow!* moments!

Child's name:

Date:

Time to Talk

As part of Monday News it would be great to hear about what your child has been doing or an interest your child may have.

Please talk to your child about something they have done or something they are interested in. This will be shared by your child during Monday News.

Your child can draw a picture, take a photo or even write their own sentence using their phonic knowledge!
