

Y3 place value – further practice: 1, 10, 100 more

Add 1, 10 and 100 to the following starting numbers. Be careful – this table is not asking you to find 10 more than the number in the '1 more' column and not 100 more than the number in the '10 more' column. For each blank, refer to the starting number first.

start number	1 more	10 more	100 more
-----------------	--------	---------	----------

1. 758

2. 291

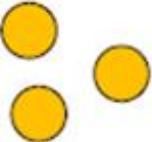

3. 639

4. 399

5. 94

Challenge 1:

A counter is missing on the place value chart.

Hundreds	Tens	Ones
		

What number could it have been?

Challenge 2:

10 more than my number is the same as
100 less than 320

What is my number?

Explain how you know.

Write your own similar problem to
describe the original number.
