

# Diary of an Elf

Dear Diary,

I woke up early and went straight to Santa's workshop. First I checked the Naughty and Nice List, to see who I was making toys for today. I sharpened some ice skates for Lucy, painted a doll's house for Tommy and finished blowing up all the footballs. After that, I wrapped up some teddy bears and books in bright, colourful paper. Then I helped to load lots of presents onto Santa's sleigh. Santa told us we had done a really good job and gave us some mince pies to thank us. I think I have the best job in the world!
