

Ollie's Magic Bunny

Ollie and Bunny had been waiting for the rain to stop. Ollie spotted the perfect puddle straight away, but before she could jump in... A tiny petal had landed on Bunny's nose. Suddenly, Bunny ran towards a group of rabbits.

"Wait for me!" Ollie cried.. but they had already raced out of sight.

Her voice grew louder and louder as she searched and searched. But she couldn't find him.

Just as she was wondering if she would ever see Bunny again, Ollie gasped because she spotted something!

"Bunny, is that you?"

The water was rising and Bunny was in danger! But Ollie didn't know how to help. Then she remembered her umbrella. If only the magical breeze would blow again. She leaned out as far as she could, reached for Bunny, and grabbed him just in time.

Bunny was very cold but Ollie didn't know the way home. Bunny raced up the tree and leapt onto a cloud. Ollie opened her umbrella and jumped too! They floated through the sky. The breeze brought them down towards home. As they went inside, Bunny was a toy again!
