

The Isle of Coll

Coll is an island just off the coast of Scotland. It is known for its beautiful, sandy beaches and it is a favourite place to holiday for people who love peace and quiet and enjoy nature. You can get to Coll by ferry once per day or by plane on Mondays and Wednesdays, but bad weather sometimes means that ferries and planes are cancelled. There are only two main roads on the Isle of Coll and they do not have street lights at night. As there are only around 195 people living on the Isle of Coll, the roads are not very busy; lots of people get around by walking or cycling and there are no buses or trains on the island.
