

Remember, Remember, the 5th of November

People all over the UK will be lighting bonfires and enjoying fireworks to celebrate Bonfire Night.

It is the anniversary of when Guy Fawkes tried to blow up the Houses of Parliament in 1605.

Fireworks are lots of fun, but they can be really dangerous. Some children might use sparklers on Bonfire Night so here are some tips to enjoy them safely.

- Never pick one off the floor
- Make sure an adult is with you
- Light them one at a time
- Wear gloves
- Hold them at arms length – you could even put it in a carrot!
