Dates for your diary

This year we will be offering various opportunities for you to find out more about Early Years at school.

There will be after school meetings with your child's teacher.

There'll be stay and learn sessions where you can come into school and be part of a lesson and then find out how you can help at home.

Then, opportunities to pop into school to share your child's learning journey book with them.

We hope that you can join us for as many of these sessions as possible.
